Call us at (940) 367-2246 or (800) 604-7351 for Windows 2000 or XP installation help

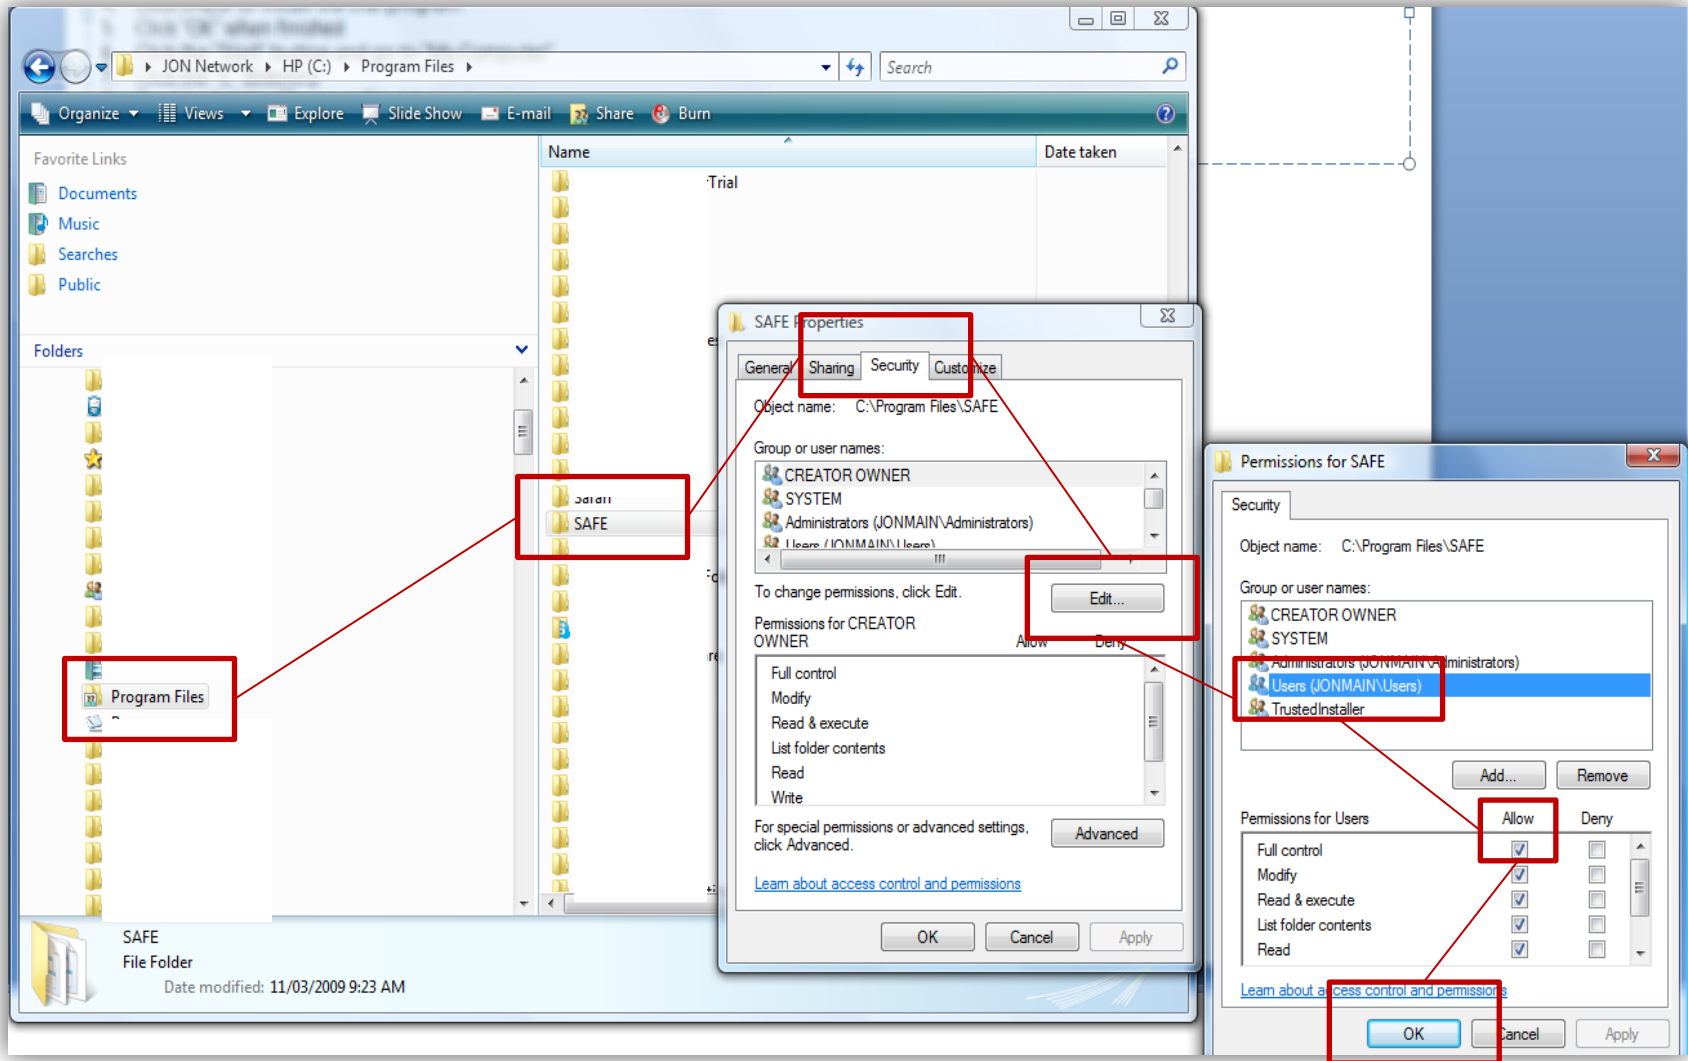

Installing the SAFE™ Software Trial Version for Windows Vista and 7

1. Download (Save) the SAFE Version 10 Trial.zip (compressed file folder) to your "Desktop" location.
2. Double click on it and you should see a file called "SAFE Version 10 Trial.exe" - Double click on it.
3. Click "Yes" to the Security Warning (this will open the file and begin the install)
4. Click "OK" to the Winzip Self Extractor
5. Click UNZIP to install the trial program (note that the program is installed in the "C:\Program Files" location)
6. Click "OK" when finished

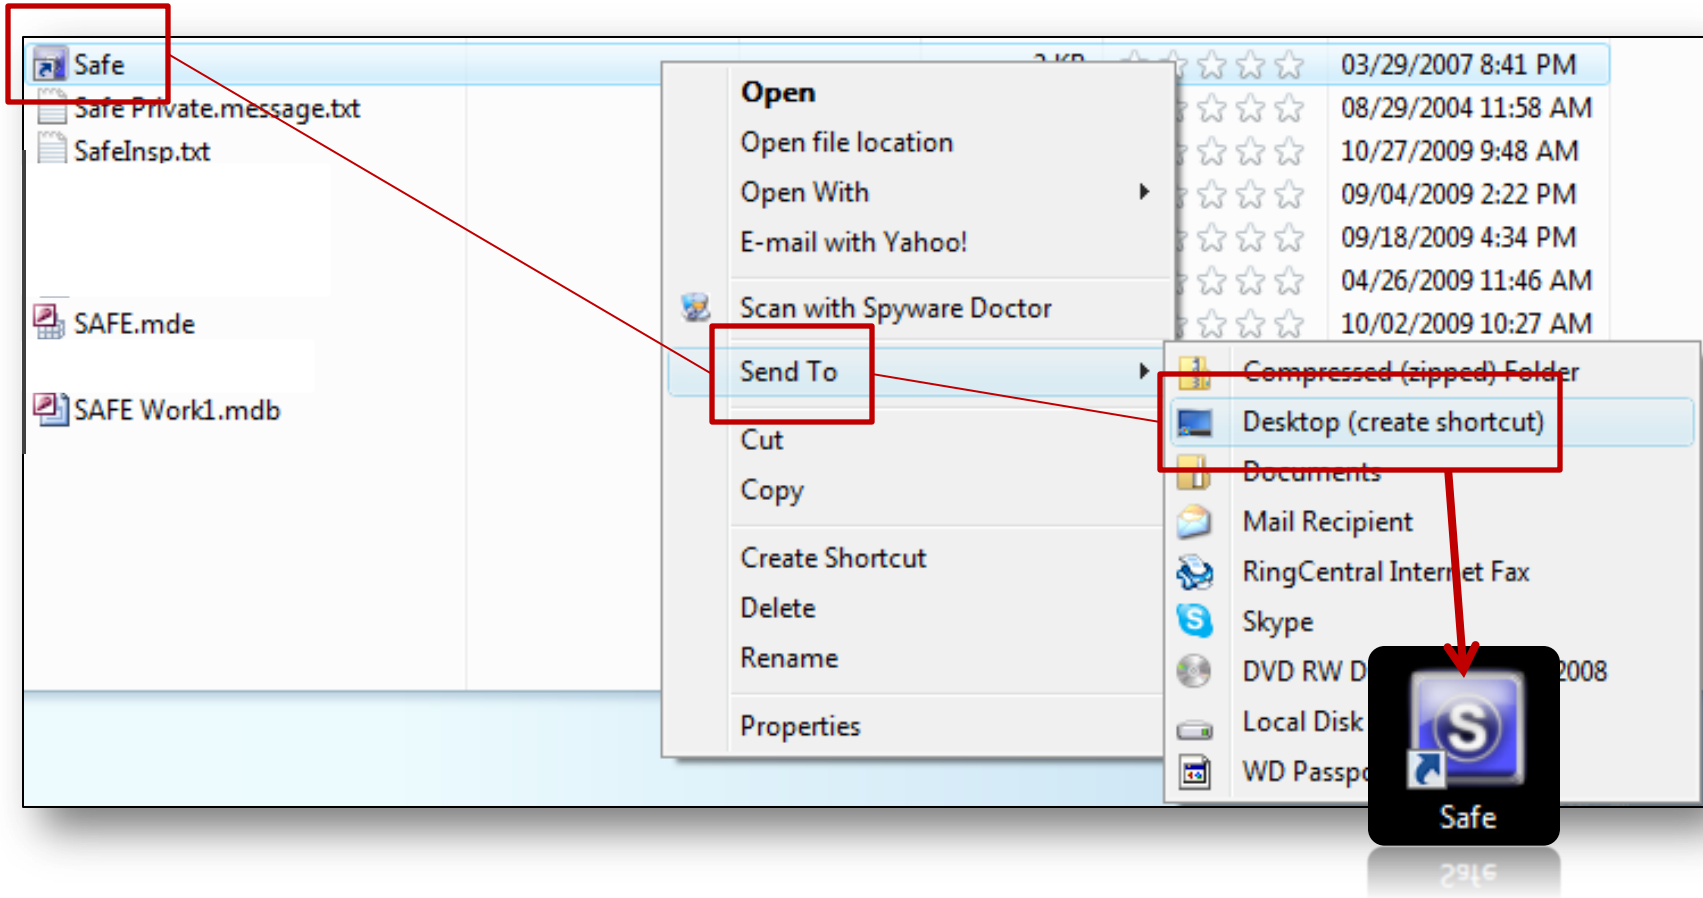

Installing the SAFE™ Software Trial Version for Windows Vista and 7 - Continued

6. Click the "Start" button and go to "My Computer"
7. Click the "C" directory
8. Double click the "Program Files" folder location
9. Find the folder named "SAFE" and then right click on it. Left click on Properties
10. Left click "Security". Left click on "Edit". You will probably have to answer "Yes" or "OK" to a security warning.

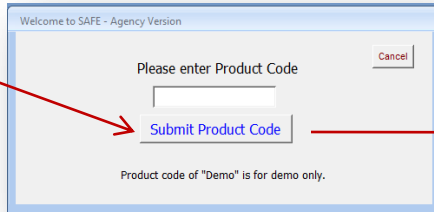

Sending the SAFE™ Shortcut to the Desktop

11. After you sent the Permissions and click OK to exit, double left click on the "SAFE" folder
12. Make sure there is no "Compatibility Files" located at the top of the menu (same section as "Organize", "Views", etc.)
13. Find the SAFE Shortcut (not the SAFE Icon file) and right click on it.
14. Left Click on "Send to", then left click on "Desktop (create shortcut)". Your SAFE Shortcut Icon is now on your Desktop
15. Exit the SAFE folder and then Explore menu window.

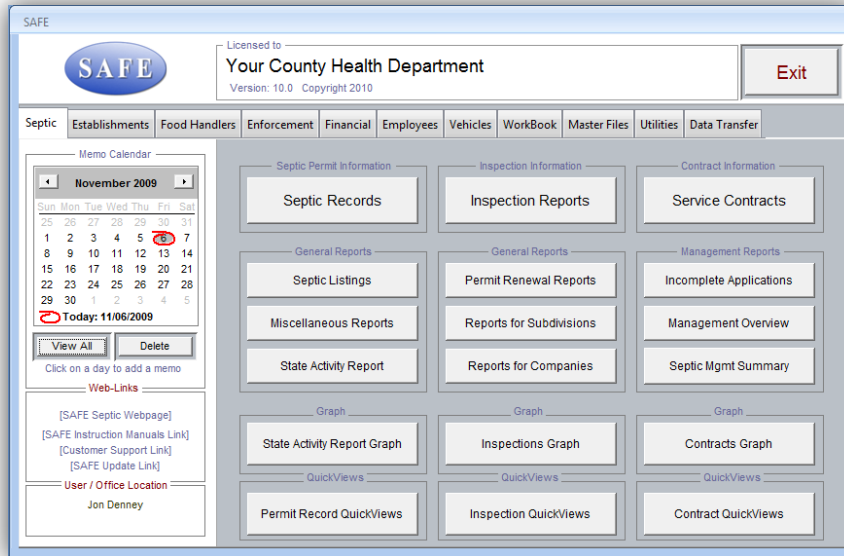

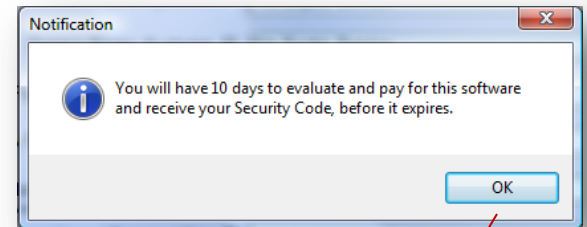

Setting up the SAFE™ Trial Program

1. Click on the SAFE Shortcut Icon on the Desktop
2. Enter your Default (Main) Company Name
3. Check the appropriate boxes that apply to the type(s) of business you do.
4. Click Submit and then OK to the 10 day trial warning.
5. You are now off and running! Enjoy trying out the program
6. Please call us when you are ready to purchase
7. We do convert your existing data for a small fee (CASST data is free). Call for more information

Product Codes

For the trial, type in the word "DEMO" then click "Submit Product Code"

Troubleshooting

Due to many operating systems, setups, brand configurations, 3rd party software, and other unique issues, please call or email us for troubleshooting help.

We have to address each situation individually in order to serve you properly and effectively.
